

***Englewood Hospital and Medical Center Foundation
Caduceus Society***

The Caduceus Society offers individuals, corporations and organizations a unique opportunity to become involved in the Medical Center community while providing essential philanthropic support. Members are recognized as sponsors of the Foundation's major special events – the Black Tie Gala held each spring and the Golf and Tennis Classic in September, and receive a variety of event benefits, including complimentary invitations to the Gala and recognition in the Caduceus Society section of the Gala Ad Journal, and complimentary participation and recognition at the Classic. In addition, all members' names are listed as Friends on the Donor Wall in the corridor of the Medical Center's main building.
