Quality Care and Philanthropy

Thank you for all you do in support of your Medical Center.

You make a difference!

Lifeline to Tomorrow Capital Campaign

2007

Capital investment in physical plant and technology is an institutional priority at Englewood Hospital and Medical Center. Upgrading buildings that are decades old, expanding or building new facilities to meet increasing demand for services and new clinical programs, and employing the most advanced diagnostic and therapeutic equipment ensure the highest quality care for our patients. ■ Lifeline to Tomorrow — Our Campaign for an Emergency Care Center will raise the private funds needed to guarantee the future of exceptional emergency care at Englewood Hospital and Medical Center. The Campaign will forge a new partnership between the Medical Center and the community, the financial lifeline to a next-generation facility. Shared commitment, common goals and an unflagging devotion to excellence will build a state-of-the-art center offering the highest quality patient care in a humanistic setting. ■ We gratefully acknowledge all Campaign donors for their generosity to Lifeline to Tomorrow.
