AT ENGLEWOOD HOSPITAL AND MEDICAL CENTER

Being a *Leader* is now more rewarding than ever.

Englewood Hospital and Medical Center is a
Leader in delivering state-of-the-art
compassionate care in a humanistic environment.

We are home to more peer-rated “*Best Doctors*”
than any other hospital in the state* and have
Magnet Award-winning nurses, a prestigious honor granted
to only 4% of hospitals nationwide. The Medical Center
also has nationally and internationally renowned
Centers of Excellence and other clinical
programs that cover a broad range of specialties.

*Castle Connolly's Top Doctors: New York Metro Area Guide

*T*hroughout its history, Englewood Hospital has relied on the generosity of friends in the community to help ensure the quality of patient care. Gifts to the hospital make it possible to fund new clinical programs and nursing scholarships, invest in new technologies to advance diagnostic or therapeutic care, and renovate and enhance patient care facilities.

Members of the Leadership Society are instrumental in the continued growth and success of Englewood Hospital. Through their generous annual support, Leadership Society members help ensure that the high quality care our patients expect and deserve will continue.

In recognition of their generosity, Leadership Society members enjoy a broad range of benefits. Please see the descriptive information in this brochure's pocket for a full explanation.
